Monsieur Lavroche

Monsieur Lavroche is the manager of the Theatre Royal. He is full of energy and he ADORES bright waistcoats. So all you need to be him is a spring in your step and a lovely bright waistcoat. Remember to bounce off your toes as you walk and be positive and friendly to everyone. Monsieur Lavroche LOVES people and is always in a happy mood.

Madame Emerald

To be Madame Emerald you will need one of your favourite party frocks. Madame loves to dress up and look elegant. But you'll also need to mimic her low voice and remember how much she loves singing. Do you have a favourite song you could sing to your friends?
